NPORS Site Safety Awareness (S001) Training Course – 1 Day

AIM OF THE COURSE:

This course highlights potential hazards when working on site and provides practical advice on keeping candidates and their colleagues safe. It covers individual and employer's responsibilities, including what to do if candidates think anyone's health and safety is being put at risk. This course provides health and safety awareness and is endorsed by Build UK as standard training for all operatives on site.

WHO SHOULD ATTEND:

Individuals who wish to apply for the Green Labourer CSCS Card: This qualification can be used in conjunction with the Operatives Health, Safety & Environmental Touch Screen Test in order to apply for the Green Labourer CSCS Card.

COURSE REQUIREMENTS:

Training Course candidates do not require any previous experience but must be able to certify that they are physically fit and have no medical conditions that might prevent them from attending this course. Delegates should be able to write and speak in English. Safety equipment will be supplied by your trainer.

COURSE SUMMARY:

Candidates will participate in theory lessons and exercises, all of which are highlighted by the use of Video Presentations covering:

- the need to prevent accidents
- health and safety law
- how your role fits into the control and management of the site
- risk assessments and method statements
- performing safely and asking for advice
- how to report unsafe acts to prevent an accident

CERTIFICATION:

NPORS Construction Safety Awareness Certificate of Training
